BIG LEAGERS IN  
HARNESS TODAY

National Game Starts in Eight Cities—N. F. A. Candi-  
dates Show Speed—Jeffries has Day of Fishing—  
Harvard Crew Picked for Annapolis.

New York, April 13.—The number of exhibitions, not one of which served to test the mettle of the six teams comprising the two major baseball leagues, the players of both are traveling today, bound for the various batting grounds, where tomorrow will begin the struggle for the baseball championship of 1910.

Of the two New York teams, the Nationals, in whom center the chief hopes of Gotham fans, will begin the season in the enemy's country at Boston. The Americans, however, will open the season at home and already preparations are being made for a record breaking attendance.

The sixteen teams will face off as follows:  
National League.  
Boston with New York at Boston.  
Philadelphia with Brooklyn at Philadelphia.  
St. Louis with Pittsburgh at St. Louis.  
Cincinnati with Chicago at Cincinnati.

American League.  
New York with Boston at New York.  
Washington with Philadelphia at Washington.  
Detroit with Cleveland at Detroit.  
Chicago with St. Louis at Chicago.

The impression made by the New York Nationals in the game with Yale and subsequently in the contest with the strong Eastern league team representing Newark, has been very favorable.

Where the Umpires Will Work.  
President Lynch of the National league today assigned his umpires for tomorrow's contests. At Boston Higley will be behind the plate and Emery on the bases. In the other cities the umpires will be as follows:

In Philadelphia: Klein, umpire in chief; Kane, field umpire.  
In Cincinnati: O'Day, umpire in chief; Moran, field umpire.  
In St. Louis: Johnston, umpire in chief; Moran, field umpire.

President Lynch will see tomorrow's game in Boston.  
Manager McGraw of the New York Nationals said tonight that the choice for pitching the opening game in Boston tomorrow lay between Ames, Raymond and Mathewson. McGraw also announced that the New York club had asked waivers on Outfielder Al Shaw and that Brooklyn had claimed him.

AUTO CLUB OFFICERS.  
A. C. A. Elects—Long Island Sound Course for Motorists.

New York, April 13.—At a meeting of the Automobile Club of America, called for the regular annual election, the following ticket was elected: Henry Anderson, president; to succeed Robert H. Gary; first vice president, John E. Borne; second vice president, Robert Lee Morrell; third vice president, Edward Shearson; treasurer, F. E. Marshall.

David H. Morris, Albert R. Shattuck, and E. H. Gary were elected governors for four years. Alfred Ely for one year, and George Moore Smith until April, 1913, to fill the term of Gen. Horace Porter, resigned.

A statement issued today by the club disposed of the controversy over the course selected for the runners of the international motor boat races for the Harmsworth cup this year.

The committee, which consisted of two members each of the Automobile Club of America, the Motor Boat Club of America and the Larchmont Yacht club, selected a course on Long Island sound, off Larchmont.

FIVE NEW SPEEDWAY RECORDS  
Half-Mile in 17.91 Seconds by Oldfield at Motordrome.

Playa del Rey, Cal., April 13.—Five new American speedway records were established on the motordrome today. The most noteworthy was the half-mile made by Barney Oldfield in 17.91 seconds. Oldfield also drove the Benz a kilometer in 22.38 seconds, lowering his former mark made at Indianapolis by 1.4 seconds.

The fifty-mile free for all proved the most exciting race of the day. Ralph de Palma drove his Fiat Cycle the fifty circuits without a stop in 37.55.3, a new record.

The first heat of the ten-mile free for all was won by Ben Kerschner in a Darracq with De Palma in a Fiat second, time 7.01.

George Robertson was too ill to drive his Simplex in this race today. In the five-mile free for all handi-cap the seven starters finished close together. The Standard-Dayton driven by A. Livingston won. The Marmon was second and the Isotta third.

Normal and the time trials began drove a Fiat two miles in 11.56, a new amateur record, and Nikrent sent the Buick "40" ten miles in 7.25.37, for a new class record.

Kerschner drove the Darracq three miles in 1.57.71.

HARVARD CREW IMPROVES.  
Slump May Be Over—Off to Race Annapolis on April 21.

Cambridge, Mass., April 13.—The Harvard crew, which will race the navy crew at Annapolis next week will leave for the event at eight o'clock tomorrow morning.

The race has been definitely set for 8:30 o'clock Thursday afternoon, April 21. In its last light practice at home the crew today showed improved form and Harvard men hope that the slump of the last two weeks has been ended. In the race the Harvard crew will row in the following order:

Stroke, Cutler; Waist 7, Newton; 2, Bacon; 3, Hooper; 4, Balch; 5, Sargent; 6, Whitney; bow, two substitutes. Strong and Metcalf, will be taken along tomorrow.

Jeffries Goes Fishing.  
Ben Lomond, Cal., April 13.—With the exception of a long drive from the city, Jeffries took a vacation today. Carpenters were at work on the gymnasium today and a hole in the roof to allow light and air to enter. New mats and other apparatus will be in stalled within a few days.

Count of the changes, Jeffries, finding it impossible to work in the gymnasium, took a rest and went fishing.

"It is a mistake to think that training is a matter of hard work and long hours," he said to a visitor. "I get lots of good out of this fishing trip. It is a good thing to get away from the city and go to the country."

Jeffries omitted boxing today on advice of his trainers and attendants, who feared he had been setting a bit too fast a pace in the last few days.

Brown Nine's Reversal of Form.  
Providence, April 13.—Seldom has a Brown baseball team shown such a complete reversal of form as was displayed by the Brown nine today in shutting out the Massachusetts agricultural college team, 11 to 0, after being beaten by Trinity last Saturday. The Brunonians played a masterly game in all departments, hitting heavily and at opportune times, and fielding.

With the advent of spring weather, baseball interest among the local fans is on the increase, and all eyes are turned to Middletown's nine in the Connecticut league.

There has been no small task to set the ball a-rolling, and those most vitally interested in the game have met with many discouragements; but the clouds are now commencing to clear away, and the prospects look very encouraging.

Secretary Fisher, who holds the Middletown franchise until it is disposed of to some one else, has been spending considerable time on the subject of grounds. Efforts were at first made to secure the grounds near Pamecha, but this deal has fallen through, and the owners of the grounds near a small sized fortune. Mr. Fisher, however, did not put all his eggs in one basket and before he commenced negotiations for the Pamecha grounds had secured an option on the old grounds at Lakewood.

He is not disposed to take these grounds unless absolutely necessary, for the reason that they are a little too far removed from the heart of the city. He is now trying to secure other grounds near the city.

This plan falls through, it may be necessary to use the Lakewood grounds at least for this season.

Middletown has several men signed, with more on the way.

The fans for the most part have been showing a keen interest in baseball affairs, although, as usual, there are a few disgruntled ones. They have been looking at the hole instead of the doughnut. To those who are skeptical the advice is given to have patience and remember that good old sporting advice, "If you can't boost, don't knock."

One thing is certain, says Mr. Fisher, and that is that Middletown will have a team in the league, and furthermore there is every reason to believe that the team will not finish the season in the cellar position.

## CAMPUS CAPERS.

Three good days for practice. Champion, who played last year for Blackhall at shield, is a candidate for pitching job.

In a practice lineup Wednesday Gallivan and Ricketts Champion and McCormick were the opposing batteries. There is a small chap by the name of McKee who can throw the outside curve. The "midgit" would sure to get the pitchers to put them over for his limited crew.

Jacky Gallivan repped out a homer over left field wence Wednesday afternoon.

Captain Hendrick came along with the feature work, a heart of a one-hand, and over her second bar on which he recovered himself and got his man at first.

The way Murray scooped up and shot a short butt underhand to first promises some top-line work at the third corner this year.

Not so many home run hits over the fence this year, for the home plate is to be brought up close to the position

log without an error. Williams, the agricultural pitcher, was very unsteady, allowing seven bases on balls.

No Catchers to Hold Tuts Pitcher.  
Medford, Mass., April 13.—Holy Cross defeated Tufts today in a fast game, 3 to 2. While Martin, the Tufts pitcher, held the visitors down to one hit, his catchers could not hold him well and all the Holy Cross runs were partly due to passed balls. The single tally for Tufts came on two baggers in succession. The home team fielding was ragged.

Lowell Smothered by Dovey's Men.  
Lowell, Mass., April 13.—The Boston Nationals played fast ball and fairly smothered the Lowell team of the New England league this afternoon, 10 to 2. Wolfgang held the locals under his thumb almost from the start while Lowell used no less than five pitchers in a vain effort to stem the tide.

Cornell's Pitcher Strong with the Stick.  
Ithaca, N. Y., April 13.—Cornell's baseball team defeated the State university today by a score of 9 to 3. The feature of the game was the batting of Pitcher Abbott of Cornell.

Tommy Hayden of the Eight Bells company called the ball and strikes for the Academy practice Wednesday.

Tracy and Taylor are two new candidates for the outfield.

Bliss of Jewett City is another who has a twirling ambition for the coming season.

Robinson and Johnson are two recruits for outfield positions on the nine.

Since Mystic defeated Bulkeley 7 to 3 last week, a good line on the comparative early season form of Bulkeley and the Academy will be obtained when the Academy plays Mystic here Saturday.
